Wow. Wonderful pureness of fruit here with blueberry, slate and stone aromas and flavors. Full body. Tight tannins and a layered finish. Shows focus and richness. Drink after 2022, but already very impressive.

Another very intense and impressive white from this producer that shows dried citrus, lemon meringue and apricot pie. Full-bodied and very flavorful, but with bright acidity that provides a welcome contrast. Drink now.

**CENTOVIE MONTEPULCIANO**  
2015

A ripe and attractive montepulciano that shows dark cherries, blackberry compote and vanilla. Full-bodied, round and chewy with lots of essence-like fruit.

**CENTOVIE PECORINO**  
2017

The otherwise shy pecorino grape doesn't usually give wines of this intensity, but here there are notes of guava peel, dried citrus and spices. Full-bodied with a hint of candied fruit, but the acidity does well to pull this through. Drink now

**VELLADORO**  
2018

Lemons and limes, juniper berries and herbs. The medium-bodied palate is nicely layered and swathed in a sheen of bright acidity and crunchy stone fruit. Drink now.
