CONERO

THE "CONERO EXPERIENCE" COLLECTION

aims to tell - through wine and art - about a small appellation bonded to an outstanding territory of great worth.

The ink drawing by the artist Eliana Colizzi reproduces the Conero headland. Her hand and her talent have signed some of our most prestigious labels.

An artistic charm that is a tribute to this patch of land where craft attention to detail are combined with a unique natural elements.

Sea, light, sun, earth and air create a distinctive microclimate that gives elegance, typicity and purity to Montepulciano.

CAMPO SAN GIORGIO CONERO RISERVA DOCG

The most important Cru of Umani Ronchi, a project born from the expertise and the desire to enhance this wine-growing area. Matured for 12 months in small barrels followed by further 12 months in large casks and a long aging in the bottle.

CÚMARO CONERO RISERVA DOCG

Careful selection of Montepulciano grown in the historical and most suited area of the Conero. Matured for 12 months in small barrels followed by further 8 months in the bottle.

PELAGO MARCHE RED IGT

Created by late Giacomo Tachis, this wine stands out for the finesse of its structure and aromas. It rests in small barrels for 14 months and a year in the bottle.

THE CONERO HEADLAND OVERLOOKS THE ADRIATIC SEA IN A STRETCH OF COAST THAT SEEMS TO BREAK THE LINEAR GEOMETRY OF NATURE. THE MONTEPULCIANO VINEYARDS OF UMANI RONCHI ARE LOCATED RIGHT ALONG THE HILLS HANGED BETWEEN THE SEA AND THE APENNINES. ABOUT 70 HECTARES OF VINEYARDS ON THE TOTAL OF 210 OWNED BY UMANI RONCHI BETWEEN MARCHE AND ABRUZZO.
